Brand New Book. \* A profound collection of Aleksandar Zograf s comics and correspondences during the war in Serbia. This book captures the essence of life during wartime, seen from the apartment window of one who was there at ground zero. The moral ambiguities of war, the horrific reality, the humanity. This volume includes Zograf s entire e-mail correspondence to his friends throughout the world during the bombing of his hometown of Pancevo, as well as all of his comic strips produced over the decade Bosnian/Serbian war.
