CreateSpace Independent Publishing Platform, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: All stability in sixteen-year-old Ridge McCoy's life crashed and burned in the plane crash that killed his dad. This summer-long basketball camp is his chance to improve his skills and escape his problems back home. But his summer plans take a turn in an unexpected direction when he meets Micah Youngblood, the guy who runs the carousel at the local mall and has a reputation for devouring straight boys' heterosexuality for breakfast, alongside his chocolate chip pancakes. Ridge needs a way to avoid the guys at camp, whose only quest for the summer is to drown in beer and hook up with girls. So when Micah offers to explain how the ten unique horses on the carousel are significant to his tribe, Ridge takes him up on it. Still, Ridge can't decide if this is a bad thing or not. All he knows is that he hasn't felt this alive since his dad fell from the sky, and as the horse adventures come to an end, Ridge finds himself falling as well - for Micah.
