Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Robert remained mesmerized in his revolving seat, his eyes fixed on the monitor screen which turned dark blue. He could feel his brain filled with a low buzzing noise. Then suddenly the screen turned black with lot of white spots; stars. His mind was travelling through outer space! He could see the far galaxies, faraway stars and worlds just like coronations on a Christmas tree. Then after five minutes, a planet full of lights, streets and high rise buildings was visible to the eyes. Inside that crowded city, He could see how he was flown into a large conference hall. Some two hundred Chef Guardians of all shapes and races were gathered in that room. Each Guardian was provided with a head phone to receive the speeches in his or her language. At the front stage; a panel of ten Overseers was gathered. X1 was at the middle and was the first to speak, - I welcome you, all two hundred Chef Guardians of our Galaxy. You have been chosen to represent the Galaxy in your worlds. All of you have succeeded in leading your Organizations in a way to be a vital and indispensable part of your world economy and prosperity. This way we can control and protect the local life and civilization for the benefit of the whole galaxy. Thank you for coming.
