Reviews

Merely no phrases to describe. Better than never, though I am quite late in starting to read this one. It has been written in an extremely easy way which is merely following. I finished reading this publication through which in fact transformed me, changing the way in my opinion.
(Pedro Renner)

DANGEROUS PARKING (NEW EDITION)

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, Dangerous Parking (New edition), Stuart Browne, 'The screaming ambulance slows down a fraction as it hits the junction of parkway and Camden High Street. It feels as if my bladder is in my head, and any minute now it will explode, and blast piss and blood at a million-foot-pounds pressure out of my coke-scarred nostrils.' Noah Arkwright has experienced too much. A filmmaker and now a dry alcoholic, he's lived life to the full - sex, drugs and rock 'n' roll his relentless backdrop - but now the stakes are even higher. In his struggle to survive, Noah's cancer forces him to evaluate his chequered past life, and as a picture builds of a brave and incredibly foolish man, gradually it becomes clear that he's a modern-day hero of truly epic proportions.
