Brand New Book ***** Print on Demand *****.It sucks to be Charlie, the only gay kid in his small town high school. He s different, which is never a good thing. His parents don t understand him, his sister actively hates him, and his best (and only) friend accidentally outs him to the biggest bully in school. Things can t get any worse . Until he accidentally opens a doorway to Hell and unleashes a horde of murderous demons. Now he has to defeat each demon before anyone finds out what he did. If he doesn t kill all of them before the town s big centennial celebration, then the gate to Hell will open permanently. Suddenly, being gay isn t that big a deal. He s much more concerned about staying alive. On his first demon-hunting mission, Charlie saves Todd, one of the popular kids. Pretty soon they team up to track down the remaining demons, and Charlie starts to realize he and Todd might have more in common than he first thought. As young love blossoms, the world inches closer and closer to apocalypse. Charlie s completely overwhelmed with swordfights, demon possessions, and more near death experiences than he can possibly imagine. His life has never been more different, and that just might help him save the world.
