Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In her new book *Whispering With Animals* Maryphyllis shares stories of her telepathic experiences with both tame and wild animals. The stories provide a focus for Spirit's message, i.e., to give the world an additional voice on behalf of animals and nature. She always knew that non-human animals are intelligent in their own unique ways, but didn't realize how much that was so until she embarked on the research for this book. **RESEARCH:** It was a project of delving into her own latent telepathic ability and peering more deeply into the eyes of the animals who came forward to let her get to know them in this way. She loves them all, wild or tame. She is also now seeing them differently from when this project began. **ANIMALS TRUE SPEECH.** The animal kingdom has as much importance, unique forms of intelligence and mission to be living on this planet as we humans do. This isn't readily apparent because animals speak from a quiet, deeper level than most of us are accustomed to: telepathy. Animals know the truth of a pleasant smile, whether it's from love, kindness, fear, deception or harmful intent. They can't be fooled. **CONVERSATIONAL WRITING.** *Whispering With Animals* is written in a conversational manner that creates an easy flow of reading. There is pathos, humor, inspiration, love, amazement, familiarity, skepticism and more. **ART.** To create an even more personal feel to the stories, pertinent selections of art work and photography, mostly hers, appear throughout. **UNIQUE PERSPECTIVES.** Each story has its unique perspective, as does the introduction. There are also the Insights Reflections sections that convey how she inwardly processed the events or what she intuitively...
