They come with an approved name for the creator of existence, the name of their superstar, their all-star team, their approved beliefs, songs, and, in some cases, dress codes and dietary requirements. In A Guide for Spiritual Living, author Rev. George L. McLaird presents a wide variety of alternatives if you are uncomfortable with or frustrated by your present religious experience or spiritual condition, or if you have no idea where to begin searching for your own personal spiritual path. A Guide for Spiritual Living offers a plethora of suggestions for living spiritually—living as healthily as possible, every day and in every way. It includes ideas for activities, contemplation, and self-nourishment, as well as advice for addicts to feed the spirit, mind, and body and exercises to help clarify your path. He helps you structure a spiritual path that is uniquely yours by showing you how to listen to your own internal dialogue and how to use that information for your growth. George is a spiritual guru of the highest order. People want what he's got and this book provides a roadmap for how to get it—a more spiritual, fulfilling, balanced and happy life.
