

The Palmetto State: The Making of Modern South Carolina

Filesize: 7.28 MB

Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Aliya Franecki)

University of South Carolina Press, United States, 2012. Paperback. Book Condition: New. Reprint. 216 x 140 mm. Language: English . Brand New Book. The captivating, colorful, and controversial history of South Carolina continues to warrant fresh explorations. In this sweeping story of defining episodes in the state s history, accomplished historians Jack Bass and W. Scott Poole trace the importance of race relations, historical memory, and cultural life in the progress of the Palmetto State from its colonial inception to the present day. In the discussion of contemporary South Carolina that makes up the majority of this volume, the authors map the ways through which hard-won economic and civil rights advancements, a succession of progressive state leaders, and federal court mandates operated in tandem to bring a largely peaceful end to the Jim Crow era in South Carolina, in stark contrast to the violence wrought elsewhere in the South. This volume speaks directly to the connections between the state s past, present, and future, and it serves as a valuable point of entrance for new inquiries into South Carolina s diverse and complex heritage.
