Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.As believers we have to embrace this Scripture with confidence, so when challenging times come we can stand with confidence, knowing that God has already predetermined the outcome and it will work out for our good. Not to say you won't worry, but your worry won't be a hopeless and helpless worry, but a worry of anxious anticipation, which is defined, not if God will move, but when will God move a worry of confidence. A worry of confidence is a worry that can be best explained by saying I want or need it to happen right now, but if it doesn't I am confident that it will. In the book of Joel God said that he will restore all the years that locust hath eaten, the cankerworm, and the caterpillar, and the palmerworm, my great army which I sent among you. Notice God said years meaning plural more than one. So our entitlement starts off with at least 730 days of delayed blessing or returned possessions, what an awesome promise of restoration and recovery.
