

Internet Address and Password Logbook: Internet Address and Password Logbook / Diary / Notebook Mothers Day (Paperback)

By LLC Internet Address and Passw Logbook

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Internet Address And Password Logbook We now live in a world where keeping track of electronic passwords for websites and email accounts and social media outlets is not simply a good idea, but a necessity. However, at times being able to remember each specific password for each website or email account can be rather difficult, especially if you use alphanumeric codes or other algorithms to generate passwords rather than simple words or phrases where cats birthday. It has become necessary to have more complicated passwords and while it is true the more complicated your password the more secure your information will be. It is also true that the more complicated your password the more difficult it will be to remember. This is where the forget me not password keeper comes in handy. This nifty little notebook is filled with 150 pages that are specifically designed to help keep all of your passwords and other personal information safe from prying eyes. These books are organized alphabetically similar to the way one of those old pocket address books was designed with...
