2012 OPERATIONAL LAW HANDBOOK

[DOWNLOAD](#)

Createspace, United States, 2012. Paperback. Book Condition: New. 246 x 183 mm. Language: English . Brand New Book ***** Print on Demand *****.The Operational Law Handbook is a how to guide for Judge Advocates practicing operational law. It provides references and describes tactics and techniques for the practice of operational law. Like operational law itself, the Handbook is a focused collection of diverse legal and practical information. The handbook is not intended to provide the school solution to a particular problem, but to help Judge Advocates recognize, analyze, and resolve problems they will encounter in the operational context. Similarly, the Handbook is not intended to represent official U.S. policy regarding the binding application of varied sources of law, though it may reference source documents which themselves do so. The Handbook was designed and written for Judge Advocates practicing operational law. The size and contents of the Handbook are controlled by this focus. Frequently, the authors were forced to strike a balance between the temptation to include more information and the need to retain the Handbook in its current size and configuration. Simply put, the Handbook is made for the Soldiers, Marines, Sailors, Airmen, and Coast Guardsmen of the military Judge Advocate General s Corps, who serve alongside their clients in the operational context. Accordingly, the Operational Law Handbook is compatible with current joint and combined doctrine. The Operational Law Handbook is not a substitute for official references. CHAPTER 1: Legal Basis for the Use of Force CHAPTER 2: The Law of Armed Conflict Troop Information Law of Armed Conflict Considerations in the Acquisition of Supplies and Services During Military Operations CHAPTER 3: International Human Rights Law CHAPTER 4: The Law of Armed Conflict Across the Conflict Spectrum Displaced Persons CHAPTER 5: Rules of Engagement SROE Extracts Sample ROE Cards CHAPTER...
