Skyscape, 2011. Hardback. Condition: New. Reprint. Language: English . Brand New Book. Rain has a secret—one that risks her whole world if it comes out. She designs exquisite stained glass for the windows of her city. But the law is clear: it is forbidden for girls to be part of the glassmakers guild. To keep her secret hidden, Rain leaves home and travels to a strange new country. Her trip becomes a nightmare when bandits attack and she is abandoned in a society on the edge of disaster. To survive, she must discover new strengths in herself and seek out the other people that this society has scorned, including a young falconer who is one of the untouchables. This exciting new novel is a companion book to Dragonfly, which received a starred review from School Library Journal, was a YALSA Teens Top Ten nominee, and was selected by librarians for the 2011 Texas Lone Star reading list.
