## YOUR CHILD IS YOUR TEACHER (PAPERBACK)

Lulu.com, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In this book, seven Angels and two Ascended Masters explain how raising a child is the most accessible way for your spiritual growth. Their messages will speak to your heart, and will let you discover the spiritual meaning of your life-task as a parent. Based on this wisdom, daily parenting situations become a vessel for both you and your child to realize your full spiritual potential: to be one with universal love and spirit. Bas Vogelvang holds a PhD in child psychology and child special education. In 2005, he started to receive messages from Archangels and Ascended Masters. When his channeling became a more regular and balanced activity at the end of 2005, the Angels told him that not he, but They would write the book about parenting he was planning on writing, by channeling it through him. Your book is a sacred place for women to love their child in the way they thought they were supposed to do in the first place. Archangel Gabriel.
