This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Allison & Busby. Paperback. Book Condition: new. BRAND NEW, First Fruits (New edition), Penelope Evans, Kate Carr is the luckiest girl in the world. Everyone at school envies her because her father is such a charmer, the most mesmerising minister in Edinburgh. The clever new girl Lydia envies her most of all. Sometimes Kate wonders what it would be like to have a mother like Lydia's, or even a doting grandmother like stupid Moira's, but she knows what she has is better. She is special; she is Keith Carr's 'first fruit', his only child, his offering. He is training her up in his image, to have it - his special power, the ability to manipulate people. She practices what he's taught her with devastating effect.
