Reviews

Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Pearson Education (US), United States, 2011. Paperback. Condition: New. 4th edition. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. A classic developmental skills text for lower-intermediate and intermediate English language learners, Fundamentals of English Grammar is a comprehensive reference grammar as well as a stimulating and teachable classroom text. (Volume A contains Chapters 1-8.) While keeping the same basic approach and material as in earlier editions, the fourth edition more fully develops communicative and interactive language-learning activities. Some of the new features are: Innovative Warm-Up exercises that precede the grammar charts and introduce points to be taught Structure-based listening exercises ranging from casual speech to more academic content A wide selection of readings that highlight the target grammar structures Greatly expanded speaking practice with extensive pair, group, and class work Writing activities with models for students to follow Corpus-informed syllabus that reflects the discourse patterns of spoken and written English Audio CDs and Listening Script in the back of the Student Book.
