Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Author CeleXy moves beyond and upward from where she left off in Heaven s Mind a Trilogy. Ascension of the Phoenix challenges readers to become more open-minded, curious, and introspective regarding spiritual belief systems and philosophies. As our heroine, Heaven Phoenix continues her ascension into the exploration of her spirituality; the reader journeys deeper into the inner sanctuary of her mind. Heaven uncovers and recovers hidden, buried, ancient, and sacred spiritual knowledge; through her personal endeavors to reunite with the power within. You will discern how and why Heaven Phoenix, well known and highly acclaimed Interior Designer, rose from the ashes (of life) to become one of the most dynamic Spiritualist of her time. Come with us as we climb Jacob s Ladder into the uttermost sacred places of her mind, in Ascension of the Phoenix! In ancient Egyptian mythology and in myths derived from it, the Phoenix is a female mythical sacred firebird with beautiful gold and red plumage. Said to live for 500 or 1461 years (depending on the source), at the end of its life-cycle the phoenix builds itself a nest of cinnamon twigs that it then ignites; both nest and bird burn fiercely and are reduced to ashes, from which a new, young phoenix arises. Take off your shoes, adorn your wings, and prepare to take flight alongside Heaven, into the Ascension of the PHOENIX !.
