And if it isn't summer, but you are looking for an innovative approach to teaching values in your classroom, you have found the right place! Nicole Schmidt presents four volumes of textbooks and journals, each covering 10 different values, to suit classroom, homeschool, summer school and summer camp needs. With simple lessons, fun exercises and an illustrative short story at the end of each chapter, this series is a must for any classroom. This volume, the first in the journal series, covers the following values: courage, respect, generosity, kindness, honesty, love, responsibility, self-reliance, participation, and leadership. This journal, the Pre-K and Kindergarten Edition, is appropriate for children in preschool or kindergarten, and is designed to be used with The Value Tree Summer School Textbook Volume I, sold separately.
