## GHENKO: THE MONGOL INVASION OF JAPAN, 1274-81

To read **Ghenko: The Mongol Invasion of Japan, 1274-81** PDF, make sure you access the web link listed below and download the document or have accessibility to additional information which are have conjunction with GHENKO: THE MONGOL INVASION OF JAPAN, 1274-81 book.

LEONAUR. Paperback. Condition: New. 176 pages. Dimensions: 8.4in. x 5.5in. x 0.6in. A ferocious conflict between Mongol and Samurai The Japanese word Ghenko is the term employed for the Mongol invasion of Japan. The event was an immensely significant one for the Japanese and it remained so for centuries because, in part, the defeat of the invaders was attributed to divine intervention. There can be little doubt that Japans salvation had much to do with the fact that they are an island race and in that they have much in common with other islanders, Great Britain among them, who on more than one occasion might claim the sea as their principal and most powerful ally. Indeed. the author of this book draws parallels with Britain and the Spanish Armada. The Mongols had rapidly risen to power during the 13th century and had created an unstoppable empire that spread over huge areas of land from the Yellow Sea of Asia to the Danube in Europe. Although massively stronger than the Japanese, the Mongols attacked the Japanese islands, attempting domination by invasion and yet were repulsed with finality. To modern students of military history the contents of this book has a compelling allure, since there can be no doubt that in the Mongol warrior and the Japanese Samurai there resided a martial spirit and expertise which, perhaps inevitably, could not both exist in the same sphere, but which in collision could not fail to instigate conflict of the most singular kind. This account of the clash between the ultimate warriors of their day analyses this time of warfare in superb detail. An essential addition to the library of anyone interested in the warfare of the East. Leonaur editions are newly typeset and are not facsimiles; each title is available in softcover and hardback...
