Filesize: 7.91 MB

Reviews

*Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.

Transworld Publishers Ltd, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. A cargo ship is apprehended by the authorities off the coast of Spain, loaded to the gunwales with enough arms and ammunition to start a war. Twenty years later, an unknown aggressor seems intent on eradicating those responsible for the treachery, one by one. The last victim was brutally tortured with a Black Decker drill, then shot through the head. And Nick Stone - ex-SAS, tough, resourceful, ruthless, highly trained - is next on the killer's list . . . In his most daunting mission yet, Nick Stone must find a man who shared that past, and who may know more about the present threat than he is prepared to reveal. As the two find themselves pursued across sea and desert, they become ever more enmeshed in a deadly network of betrayal, to which Stone himself unwittingly holds the key. And in a final confrontation that echoes his worst nightmares, only he can stop the unthinkable and save the lives of those he holds most dear.
