

## Just Breathe: A Poetic Journey of Heartbreak and Romance (Paperback)

By MS Dawn Munro

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is a eclectic collection of various moving poetic forms on the subject of love lost. From start to finish, through each poem, whether it is a sonnet or free verse, our heroine remains true to one thing. Love Defined What, then, is love I ask you, do you know? It s honor and humility, I m sure, and being unafraid to test one s faith, and knowing that when real, there is no cure. But there are many diff rent kinds of love, and most share common happiness and bliss. It s only when the word is used in vain by those who simply know a lustful kiss that love, the kind we know as charity, becomes obscure, the word misunderstood. That isn t love, it s just concupiscence, and sadly, can t for anyone be good. I love the satin softness of my skin; the fragrance of a rose on autumn wind. And too, I love the sound of rain on roof, so saying I love him I won t rescind.
