

Treasures from the Journal of Discourses (Paperback)

By Paul B Skousen

Createspace, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Journal of Discourses is a magnificent record of speeches, anecdotes and pioneer-era history that became a massive collection of 26 volumes totaling 11,000 pages. It is the record of spontaneous speeches by dozens of speakers, usually called upon without warning, with all the pressure and tension that today's Teleprompters have successfully erased. Despite human foibles and difficulties, the speakers delivered rich testimonies and glimpses into the difficulties of a new church in a new land---serious, comical, difficult, heart wrenching. The Journals truly are an enriching treasury of delight that has now been mined in this concise collection of extracts and questions. Meaty doctrines, inspiring calls to service and faith, insights into forgotten history and struggles, are brought together in this single volume to give answers and perspective as delivered from a stalwart and pioneering pulpit of 150 years ago: How many earths are there? How many Redeemers and Tempters are there? Can resurrected people give birth, and if so, are the babies of flesh and bone, or spirits? How did plants and animals arrive on earth? What did Joseph Smith and others...
