Scoring a touchdown requires the receiver to run a specified route so that he will be in the correct position on the playing field to catch the pass from the quarterback. The basketball player receives strategy from the coach to be in position to receive the pass in order for him to make the basket. The tennis player anticipates where the next volley from their opponent will come so they might smash it back across the net. As covenant children of God we must learn to place ourselves in the correct position to be overcomers and conquerors in life. This book can not only give you the keys to understanding your purpose in life, but also help you get into position that you might prosper in life, receive healing for your body, and be victorious in the battles that you will face-along with many other benefits of being in position with God.
