

Living a Metaphysical Life: A Mother's Legacy for Her Family (Paperback)

Filesize: 4.11 MB

Reviews

If you need to adding benefit, a must buy book. It usually does not charge excessive. I realized this ebook from my dad and i suggested this publication to learn.

LIVING A METAPHYSICAL LIFE: A MOTHER'S LEGACY FOR HER FAMILY (PAPERBACK)

Lulu Publishing Services, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Part memoir, part love letter, part journey into metaphysics. I did not set out to live a metaphysical life. All I wanted was to lead a normal life. Because of all the unusual circumstances surrounding my childhood, I wanted normalcy more than anything. But sometime during my young life I began to have dreams and precognitions. These experiences changed my reality forever, gave me the courage to journey to my soul, and led me on a voyage through metaphysics in an attempt to understand my psychic life. This book records my journey, including life events, contemplations, psychic dreams and religious experiences. I lived part time with a Baptist family early in life, followed by years of Catholic school education from grade school through high school. Studying metaphysics in my twenties exposed me to Eastern philosophy. Ultimately, I was able to reconcile my psychic experiences and Eastern perspectives with my Catholic beliefs.
