THE STENOGRAPHIC EXPERT (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Stenographic Expert In introducing this book to the stenographic profession I hope I have opened the door to a more liberal attitude on the part of reporters towards the education of the younger element in the essentials of first-class shorthand reporting. Only by something of this kind can the young reporter get an exact idea of what is expected of him in the profession. In presenting the present volume I do not wish to place myself in the arbitrary position of a dictator. I realize fully that no one man can say all that should be said on a subject so broad, but I have endeavored to cover all the details to the best of my ability, and it is to be hoped that what I have said will help to raise the standard of a profession, to succeed in which a man must study continuously and apply himself assiduously. To give credit to all the authorities on shorthand, to which I have necessarily had to refer, would unnecessarily cumber the pages of this book, but the text-books of the four leading Pitmanic authors - Graham, Benn Pitman, Isaac Pitman and Munson - have been thoroughly gone over in the hope of getting inspiration, and I desire to give them full credit for anything that may seem to be a part of their individual systems of shorthand. If, however, I have failed to mention that a certain principle belongs to a certain one of these four systems, let it be understood that full credit is here given where it is due. I cannot refrain from thanking here my honest and good friend, Mr. J...
