QUOTES from A SIMPLE LIFE Practicing simplicity means letting go of conflict and confrontation. Change is a matter of decision. Beliefs, for better or worse, have a profound effect on our health. .Our thoughts and beliefs reflect life back to us. .By changing our beliefs, we change our world. .If we decide to change our lives and choose happiness, the universe cooperates with us and sends happy experiences our way. Love is not some impossible-to-attain saintly emotion, but a practical way of living life. . It may be asked what can love produce that is meaningful to man. In the individual case, man values his life so long as he finds meaning and purpose in it. Part of that meaning comes from expressing and receiving love. The experience of truth leaves us with a residue of peace and harmony.
