HarperCollins Publishers Inc, United States, 2017. Hardback. Condition: New. Jacqueline Rogers (illustrator). Language: English . Brand New Book. New York Times bestselling author, Food Network star, and The Pioneer Woman herself, Ree Drummond brings us the first book in a brand-new picture book series! In Ree s own words: I was all grown up when I moved out to the country. When I first arrived, I felt so out of place! But eventually, I looked around and discovered all the wonderful things about country life. So I decided to write a story about my experiences, as seen through the eyes of a little girl named Ree. Little Ree moves to the country and feels as scared and unsure as I was. But then she finds that if she sets her mind to it, being a country girl is a pretty cool thing. Come along on her adventures! Little Ree trades in her city days for a country way of life when she moves with her family to her grandparents ranch. She s excited to ride horses, swim in the pond, and help Grandma cook for everyone. But on her first day, she finds that living on a ranch can be tough. She has to get up at the crack of dawn, learn to herd cows, and make sure her horse, Pepper, doesn t eat everything in sight. And that s all before breakfast! Will she ever get used to this new place? Luckily, the end of the day brings a big family barbecue.and the happy discovery that being a country girl isn t about the right pair of boots, it s all about the right attitude. With warmth, humor, and stories inspired by life on the ranch, Ree Drummond s new picture book introduces us to a spunky new picture...
