Taylor Francis Ltd, United Kingdom, 2009. Hardback. Condition: New. New.. Language: English . Brand New Book ***** Print on Demand *****. Since the partition of the subcontinent along communal lines, political violence has increased in South Asia. Terrorism is one such manifestation of this violence. This book witnesses serious assessment of various aspects of terrorism that are affecting South Asia as eight scholars of international repute take a closer look at the problem. These essays discuss how terrorist activity in the region during the past few decades can be directly linked to religion-centric violence. Apart from other events, this book looks at prolonged terrorism in Punjab; militancy in Kashmir; ethnic conflict in Sri Lanka; insurgency in northeast India; Maoist insurgency in Nepal; and sectarian conflict in Pakistan.
