This is a wonderful collection of lyrical poetry and poetry in prose by India s most well-known poet, Rabindranath Tagore, whose book Gitanjali shot him to fame in the west. Originally written in Bengali, the poet himself translated the book into English. Most of the poems in The Crescent Moon focus on the love in a mother-child relationship and its development over the years as the child grows up, with a lot of nature imagery sprinkled in the verses. Tagore is an artist of rare lyrical powers, who understands the human soul. Tagore s poems and stories are devotions, mystical, sublimated ecstasy. They are the thoughts of a seer, the perfect union of beauty and truth. Rabindranath Tagore was a Nobel Laureate for Literature (1913) as well as one of India s greatest poets and the composer of independent India s national anthem, as well as that of Bangladesh. He wrote successfully in all literary genres, but was first and foremost a poet, publishing more than 50 volumes of poetry. He was a Bengali writer who was born in Calcutta and later traveled around the world.
