VIJ Books (India) Pty Ltd, India, 2011. Paperback. Condition: New. Language: English . Brand New Book. Maritime strategy has always been structured by the rich and the powerful nations around a contest for minerals and markets. Minerals are vital ingredients to the national economy command over which enables sustainable development and a better quality of life for its peoples. This book highlights the need for deployment of greater resources for our maritime security, for that alone will ensure that India s needs are not given short shrift by the international system. Above all India s ability to contribute to the regional economic and related military security will enhance its own security.
