Stylus Publishing. Hardback. Book Condition: new. BRAND NEW, Strategic Diversity Leadership, Damon A. Williams, Katrina C. Wade-Golden, A conceptual and evidence-based framework for addressing diversity, and blueprint for rethinking institutional strategies and organizational structures for effective implementation The book is a moral compass for how we are to proceed in the 21st century, necessitating that we take risks into uncharted territory. With Williams as our guide, the odds are pretty good we will get where he wants us to go. ?William G. Tierney, University Professor & Wilbur-Kieffer Professor of Higher Education, & Director of the Center for Higher Education Policy Analysis, at the University of Southern California"Williams provides a wealth of practical guidance for leaders who see the need to move beyond episodic diversity interventions toward comprehensive institutional engagement and change. I warmly recommend this exceptionally useful book for any educational institution that already sees diversity as an educational value and now wants to reach toward the next and more challenging level of making excellence inclusive." ?Carol Schneider, President, Association of American Colleges and Universities This is a president s how to guide for making excellence inclusive in the academy in the 21st century. It is one of the most significant books ever published on diversity in the academy, and one that will remain pivotal reading for years to come."?Ronald A. Crutcher, President, Wheaton College (MA)"Williams melds a deep understanding of diversity with a sophisticated understanding of the nuances of leadership and organizational change. He delivers a blueprint of approaches to activating diversity plans, creating meaningful chief diversity officer roles, fostering accountability, and avoiding the pitfalls of leading change efforts on college and university campuses. This is an important book, which harnesses research and theory to lead real world change."?Molly Corbett, President, American Council of EducationThere is a growing recognition,...
