Joe s expertise on the dance floor has made him an accomplished and successful dance instructor. And his prowess has served him well in the bedroom too. As many of his dance and love students will attest, Joe has an innate understanding of the nature of relationships and how and why they fail. Both women and men have sought him out for guidance on how to find and reignite passion in their love and sex lives. And they have not been disappointed. In the same way that Joe can break down the dance steps of a routine to each note in a piece of music to successfully instruct his students, so too, he uses his mastery as a dance instructor to break down to the most basic elements the art and style of becoming a passionate lover. He empathizes with the men who do not understand the nuances of a successful relationship and, as in the first book of this series, he shares practical advice that is based on his life experience as a dance instructor, friend, and passionate lover. Building on the instruction from his first book, he takes the reader step-by-step through the skills in creating passion at a whole new level. He is genuine and his instructions are clear, easy to understand, and practical. Immediate improvements in a relationship are assured. Understanding that disintegration of a relationship is likely evidence of other life issues, in this second book in the series, Joe encourages his readers to learn from...
