Reviews

A fresh electronic book with a brand new perspective. It is actually rally exciting throug reading period of time. I am easily will get a enjoyment of looking at a composed pdf.
(Eleanore Ernser)

ISRAEL/PALESTINE

Allen & Unwin, 2003. Paperback. Book Condition: New. 13 x 19.5 cm. Tanya Reinhart's Israel/Palestine is the most devastating critique now available of Israel's policy towards the Palestinian people. - Edward Said. Tanya Reinhart's informative and chilling analysis could hardly be more timely. It should be read and considered with care, and taken very seriously. - Noam Chomsky. In the post-September 11 political reality, the Bush administration is learning that holding together alliances with the Arab world, support for the war on terrorism, and regional stability in the Middle East all connect to the Israel-Palestine issue. While US media increasingly report on the escalating violence between Israelis and Palestinians, little or no analysis is offered regarding the origins and history of the conflict, so needed to genuinely work toward dialogue and solutions. . In Israel/Palestine: How to end the 1948 war, Israeli journalist Tanya Reinhart provides a primer on the current crisis. She closely examines the roots of the conflict, and offers an invaluable analysis of all sides of the issue, concluding with a proposal for moving beyond the violence to real solutions. Drawing from maps and declassified Israeli sources, Reinhart studies the details of past negotiations, expectations, shortcomings, misinterpretations, and deceptions. Among Reinhart's areas of focus are the Oslo meetings; myths and facts about what happened at Camp David; and the politics of Barak and Sharon in relation to Arafat, the recent Taba negotiations, and prospects for genuine solutions. Israel/Palestine is an indispensable guide to understanding the Middle East and US involvement in the crisis today. Paperback.
