Farrar Straus Giroux, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Wayne Koestenbaum returns with a zesty and hyper-literate collection of personal and critical essays Wayne Koestenbaum has been described as an impossible lovechild from a late-night, drunken three-way between Joan Didion, Roland Barthes, and Susan Sontag (Bidoun). In *My 1980s and Other Essays*, a collection of extravagant range and style, he rises to the challenge of that improbable description. *My 1980s and Other Essays* opens with a series of manifestos--or, perhaps more appropriately, a series of impassioned disclosures, intellectual and personal. It then proceeds to wrestle with a series of major cultural figures, the author's own lodestars and lodestones: literary (John Ashbery, Roberto Bolano, James Schuyler), artistic (Diane Arbus, Cindy Sherman, Andy Warhol), and simply iconic (Brigitte Bardot, Cary Grant, Lana Turner). And then there is the personal--the voice, the style, the flair--that is unquestionably Koestenbaum. It amounts to a kind of intellectual autobiography that culminates in a string of passionate calls to creativity; arguments in favor of detail and nuance, and attention; a defense of pleasure, hunger, and desire in culture and experience. Koestenbaum is perched on the cusp of being a true public intellectual--his venues are more mainstream than academic, his style is eye-catching, his prose unfailingly witty and passionate, his interests profoundly wide-ranging and popular. *My 1980s* should be the book that pushes Koestenbaum off that cusp and truly into the public eye.
