Now experience the epic tale of when the world ended. For centuries, the Empire of Byzantium, known as the Second Rome and the New Jerusalem, was all that kept the known world from falling into chaos at the hands of barbarian hordes and all-consuming fire. Now the empire that bears the legacies of Caesar and Christ is beset by implacable foes from without and rotting wickedness from within, threatening the throne of God s viceroy on Earth with utter destruction. The fate of the empire rests on three friends who believe that God s kingdom is still worth fighting for, even dying for.
