The Pat Boone Fan Club: My Life as a White Anglo-Saxon Jew

By Sue William Silverman

University of Nebraska Press. Paperback. Condition: New. 248 pages. Dimensions: 8.4in. x 5.4in. x 0.7in. Gentle reader, and you, Jews, come too. Follow Sue William Silverman, a one-woman cultural mash-up, on her exploration of identity among the mishmash of American idols and ideals that confuse most of us, or should. Pat Boone is our first stop. Now a Tea Party darling, Boone once shone as a squeaky-clean pop music icon of normality, an antidote for Silverman's own confusing and dangerous home, where being a Jew in a Christian school wasn't easy, and being the daughter of the Anti-Boone was unspeakable. And yet somehow Silverman found her way, a gefilte fish swimming upstream, and found her voice, which in this searching, bracing, hilarious, and moving book tries to make sense of that most troubling American condition: belonging, but to what? Picking apricots on a kibbutz, tramping cross-country in a loathed Volkswagen camper, appearing in a made-for-television version of her own life: Silverman is a bobby-soxer, a baby boomer, a hippy, a lefty, and a rebel with something to say to those of us, most of us, still wondering what to make of ourselves. Reviews

This book will be worth getting. Better than never, though I am quite late in starting reading this one. It's been written in an extremely basic way which is only right after I finished reading this book through which actually altered me, altered the way I believe.

-- **Mr. Enrico Lesch**

Completely essential study publication. This is for anyone who states that there was not a well worth reading through. I am very easily could get a satisfaction of reading through a written publication.

-- **Hallie Stanton**
