Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Miller s Trussed Platforms, Compression Buffers and Automatic Couplers: The Standard American System of Making Up Railroad Passenger Trains Having at various times been informed that certain persons, unknown to me, have used my name, and represented themselves as the veritable Platform Miller, for the purpose of obtaining favors from railroad officials and others; and that, in several instances, sums of money and railway passes have been thus obtained, therefore, I am constrained to insert this note - though much to my regret - warning all railway men against being thus imposed upon. I also preface this book with a likeness of myself, which will aid in the detect on of any who may attempt to counterfeit me in person. Agents from me will, in all cases, bear a letter of my own handwriting, the signature of which will correspond with that accompanying the likeness.
