

## Principal Diseases of Marine Fish and Shellfish

Filesize: 1.5 MB

### **Reviews**

*This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Academic Press Inc, 1970. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: With the windchill at minus 70 degrees at kickoff, Lambeau Field looked better suited for ice hockey than for an NFL championship game. This frozen tundra would be the stage for a test of wills between the Green Bay Packer dynasty and the young Dallas Cowboys that will forever be remembered as the Ice Bowl. Mike Shropshire takes these two very different teams game by game through the 1967 season, culminating in a dramatic play-by-play description of what many consider to be the greatest football game ever played. The author's colorful style brings it all vividly to life, profiling the players' distinctive personalities on and off the field along the way.
