Dorling Kindersley Ltd, United Kingdom, 2010. Board book. Condition: New. Language: English . Brand New Book. With lots of animals to name and count, plus fun-filled questions and activities, this first animals board book is perfect for preschool learning. Read it together and help your toddler develop early speaking, listening, and observation skills as they learn to recognise and identify animals. Chunky tactile tabs invite little hands to turn the page and improve dexterity, and there s more hands-on learning throughout, your toddler will love learning about animals which squeak and squawk, from pets and farm animals to mini-beasts and sea animals. Then when they have named the animals, there are other activities to try, like counting the tropical fish, pretending to talk like a parrot, or finding the animal with a long trunk. A great way to teach your child about animals, My First Animals: Let s Squeak and Squawk is perfect for any inquisitive toddler.
