Xulon Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Have you struggled with finding meaning and purpose in the midst of pain and chaos? Then this just may be the book for you. In this text, I address questions about faith, purpose and godly success. Using the life of Christ as a model, as well as lessons learned in my own life and through the lives of others, I discuss several principles that are key in the pursuit of attaining godly success. I also describe the distracting mindsets that can serve as hindrances on our road to achieving all that God has for us in this lifetime. It is my prayer that this book will provide hope and insight to many, who like me are seeking to uncover the point of it all. Dr. Renita C. Gabriel is a licensed psychologist in Maryland and the District of Columbia. She is also a Board Certified Professional Christian Counselor through the American Association of Christian Counselors (AACC). Dr. Gabriel has over a decade of experience providing mental health services to diverse populations varying across the lifespan. Her areas of interest include mentorship, spiritual development, writing, and providing education and support to faith-based communities around mental health. Dr. Renita resides in Maryland with her husband and two children where she is an active member of her church and community.
