Excerpt from Outdoors in Georgia, Vol. 2: March, 1973A tents duties seem fairly simple: provide a barrier against rain, cold, wind, and unwanted critters. To provide this protection against the outside and furnish a livable space on the inside in a portable package, however, requires ingenious - and usually expensive - design and materials. Reviews

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).
