The Couple Next Door lingers long after you turn the final page Harlan Coben Fast-paced and addictive, the Couple Next Door announces a major new talent in thriller writing. You never know whats happening on the other side of the wall. Your neighbor told you that she didnt want your six-month-old daughter at the dinner party. Nothing personal, she just couldnt stand her crying. Your husband said it would be fine. After all, you only live next door. You ll have the baby monitor and youll take it in turns to go back every half hour. Your daughter was sleeping when you checked on her last. But now, as you race up the stairs in your deathly quiet house, your worst fears are realized. Shes gone. Youve never had to call the police before. But now theyre in your home and who knows what theyll find there. What would you be capable of, when pushed past your limit. How well do we ever know those around us. the Couple Next Door will keep you glued to the pages in search of the answer. Even then, youll never guess the truth.until its too late Lisa Gardner.
