Brand New Book ***** Print on Demand *****.THE RETREAT is a young adult fantasy novel and book #2 in the Olivia Hart and the Gifted Program series. Just a few months ago, Olivia Hart and Jaime Forte were shy girls, entering another high school year with apprehension. Discovering their special Gifts changes everything. They approach the spring of their junior year more confidently, as independent and self-sufficient young adults. Olivia has even managed to snag Justin Benz as a secret boyfriend. The kids in the Gifted Program quickly realize there were many things their ex-teacher, Ms. Magos, wasn't completely honest about. With no one left to answer their questions, Jaime speculates that a relative chooses the most worthy descendant to pass on their Gift. She convinces her friends that her great Aunt Evelyn can reveal the details of their jewelry's past and teach them about their Gifts. Olivia's insecurities have her wondering why a relative from the charming Elste family would pick her to receive a Gift instead of her charismatic brother. Then she learns the immense strength of her Gift. Once again, Prometheus will force this tight-knit group of exceptional teenagers to face their true feelings about themselves and each other.
