Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.John Richard Jefferies (6 November 1848 - 14 August 1887) was an English nature writer, noted for his depiction of English rural life in essays, books of natural history, and novels. His childhood on a small Wiltshire farm had a great influence on him and provides the background to all his major works of fiction. Jefferies s corpus of writings includes a diversity of genres and topics, including *Bevis* (1882), a classic children s book, and *After London* (1885), an early work of science fiction. For much of his adult life, he suffered from tuberculosis, and his struggles with the illness and with poverty also play a role in his writing. Jefferies valued and cultivated an intensity of feeling in his experience of the world around him, a cultivation that he describes in detail in *The Story of My Heart* (1883). This work, an introspective depiction of his thoughts and feelings on the world, gained him the reputation of a nature mystic at the time. But it is his success in conveying his awareness of nature and people within it, both in his fiction and in essay collections such as *The Amateur Poacher* (1879) and *Round About a Great Estate* (1880), that has drawn most admirers. Walter Besant wrote of his reaction on first reading Jefferies: Why, we must have been blind all our lives; here were the most wonderful things possible going on under our very noses, but we saw them not. John Richard Jefferies (he used the first name only during his childhood) was born at Coate, in the parish of Chiseldon, near Swindon, Wiltshire, the son of a farmer, James Lockett Jefferies (1816-1896). His birthplace and home is now...
