

L Altai (Paperback)

Filesize: 3.42 MB

Reviews

Simply no words and phrases to clarify. It really is full of knowledge and wisdom You wont feel monotony at at any moment of the time (that's what catalogs are for relating to when you question me).

(Paolo Spinka)

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Parti de Saint-Petersbourg le 12 mars 1842, M. de Tchihatcheff eut bientôt traverser les vastes contrées qui le séparaient de l'Altaï. Son traîneau, ce véhicule inconnu à l'habitant des zones tempérées, glissait encore sur la neige durcie des steppes ou sur la glace des fleuves, et semblait, en les froissant, narguer les navires immobiles sous la rude étreinte de l'hiver. Un mois après, notre voyageur était à Barnaoul, à près de huit cents lieues de son point de départ, à plus de cent cinquante lieues de Krasnoïarsk, terme extrême de sa course. Là il s'arrêtait trois semaines pour faire ses préparatifs, gagnait la ville de Biisk, d'où son œil pouvait apercevoir les cimes neigeuses qu'il allait explorer, et le 26 mai il quittait voitures et traîneau pour les chevaux kalmouks, qui seuls désormais devaient lui servir de monture. Ici seulement commençait le véritable voyage. Jusque-là M. de Tchihatcheff avait suivi l'itinéraire de ses prédécesseurs; il pouvait encore quelque temps se diriger d'après les renseignements fournis par les rares commerçants qui vont sur la frontière de Chine faire des échanges avec les soldats gardiens du céleste empire; mais bientôt il ne devait avoir pour guide que la boussole et les vagues indications recueillies chez les hordes de Kalmouks.
