

I Never Left My Daddy's Table Hungry (Paperback)

By Kenneth Goss

Lulu.com, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In our modern world of smartphones, video games, wifi hotspots, and Netflix, it's hard to imagine that, less than eighty years ago, there were people in rural Arkansas who were still scratching a living off the land. What makes this book so very special and historically relevant is simple - This book was not written by some college professor who, with clinical indifference, made an extensive study into a bygone era and then wrote down his cold musings on life in those days. Instead, the author of this book relates his own experiences with humble honesty and wit-filled humor. His fond childhood recollections are framed by the wisdom of many years as he relates what life was like for himself and his family during the 1940s.
