## WAKING UP AT THE MIDNIGHT CRY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The topic of the world s end is like a hot potato: You cannot simply drop it right away as you have to face it sooner or later; you cannot hold it in your hands all the time either - if you do, it is still you who gets hurt the most by becoming easily unsettled and alarmed by every wolf cry out there. The good news is, you do not have to be torn between the two above options. This book s objective content and step by step writing style make it possible that you can still eat the hot potato - see the truth concerning the world s end - without getting your hands burned. The meanings of those numbers associated with a time, times and half a time, 1260 days, 1290 days, 1335 days, 2300 evenings and mornings, etc. in the Bible are explored. End time messages hidden in 22 Hebrew letters are discussed. This book shows that Nostradamus end time prophecy concerning the 7th month of 1999 was meant to plant a hint foreshadowing later developments of the event predicted. Other issues explored in this book include: How to look at the shocking event of 9-11? Whom does 666 in the Bible truly point to? What time interval might the last seven of Daniel s Seventy Sevens...
