Have you ever wondered about that girl at the edge of the crowd The one who has dark, bushy hair that hides her eyes while shes reading, but tight shirts that dont even try to hide the size of her breasts Youve heard the rumors, you know the rude nicknames, and you wonder what she really does when shes not in school. She never comes to parties and she lives in a neighborhood where nice girls never venture. Everyone tries to ignore her. . . but there is something about her thats impossible to ignore. Especially for the star quarterback, apparently. Because he just asked her to the Homecoming dance, after dumping the head cheerleader. Catchpenny tells the story from the eyes of that girl, and Wicked Lover is just the beginning of this coming of age serial novel. The small town minds of Shirley County have underestimated Meg Shannon for too long. Shes even more fun than she is troublebut maybe she has finally met her match.
