Thats what everyone used to call me behind my back. I wasnt popular, I wasnt strong, I wasnt brave. All that changed after a chance encounter in a Canberra nightclub. Afterward, I began to dream; dream I was something else. A powerful creature of muscles and claws, something powerful and confident and everything I wasnt. I dreamed I was in love with a man Id barely met. The dream world is a beautiful, wondrous place, but theres a shadow in my dreams. An eclipse, broken with a gunshot. Then I wake up. Now my dreams are coming true. My body is changing for real. Im shedding Libby the Loser like an old skin. Im growing into something else. But there are others. Others like me, and they dont get along. People are disappearing. People are dying. The shadow is falling over the real world, too, and everything has changed.
