

Get Off That Horse!: How to Deal with Pride (Paperback)

By MR Biodun Samuel Adepetu

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Pride is said to be a virtue and a vice. It s got the plus side - self-esteem or dignity; and the not-so-good side - generally known as pride. It is self-esteem taken too far. It s that which makes people display a higher-than-you or better-than-you attitude. On the other hand, your dignity is what the French man calls raison d etre - the essence of your being; the reason why you re alive. It s the essence of the humanity in you. It s that thing in you that makes you talk and act with inner joy and a display of modest confidence - with your head held up, while at the same time, you re level-headed, and your nose is not in the air as that of a snob, and you walk with your chest out but not high-shouldered. I know you might be wondering and asking yourself: how do I do all these seemingly opposite acts at the same time. Want to learn how? You re welcome to read along. Available at:
