Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Forest Tax Delinquency Problem in the South Such a condition poses a problem in governmental finance, in land utilization, and, most important, in the economic stability and welfare of the citizens of the South. Unfortunately, however, there has been much loose thinking and writing concerning tax delinquency, the problems created by it, and their solution. No small part of this lack of clarity has been created by the confusion in terminology used in describing the varying conditions of tax delinquency. Too often the general term has been used to describe any nonpayment of taxes from temporary delinquency of those currently due to complete forfeiture of title to the public. Hence any clear discussion of the subject must first define the terms used, and indicate the general tax collection procedure in use in several Southern States.<sup>3</sup> About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
